

Please attach to this form to the copy of your 800-word reflection statement detailing your intellectual development, including (but not limited to) the relationship between coursework and independent work. Remember this is an opportunity for you to consider what recurring themes have guided your choices over the last two years, what discoveries you have made, and what questions have stayed (and might yet stay) with you.

The exam and the reflection paper together count for 10% of your departmental GPA (7.5% for the exam, 2.5% for the reflection paper.)

This form and your 800-word reflection are due to the Departmental DropBox (<https://bit.ly/SeniorThesisSubmissions>).
